

2018 ANNUAL PRE SEASON TREE & SHRUB SALE

CONTAINER GROWN & BARE ROOT STOCK

Low Cost Easy to Transport Easy to Plant

A once a year opportunity! These are the same starter plants that professional growers line out and pot up to create robust finished landscape specimens. Trees and shrubs ordered ahead of time will be available for pick up at our Marengo, Illinois Farm in mid-April. Pick up is during our Spring Open House / Tree & Shrub Sale when we are open to the public. Pick up may also be scheduled by appointment.

WHY OHANA FARMS?

Put our expertise in sourcing, handling and planting nursery stock to work for you. Ohana Farms is your **local source** for Midwestern hardy trees & shrubs. All plants originate from **northern sources** and are **proven hardy** in our tough climate. We'll provide you with **detailed handling & planting guidelines** as well as recommendations on trees & shrubs best suited for your location.

Ohana Farms is one of the few nurseries in Northern Illinois who make our liner stock available to the public – and we have one of **Northern Illinois largest selections** of **evergreens, shade & ornamental trees, shrubs** and hard to find **Illinois natives**. Need larger, more mature plants? We have fresh dug B&B & container grown options on over 150 varieties.

Many of our hard to find varieties sell out quickly - order early for best selection. To place an order please call or email – we will email you a detailed invoice and advise you when your plants are ready for pick-up.

ORDERING GUIDELINES

**Indicates may be offered as a container grown plant – from experience we believe this is a better option for our customers on certain hard to transplant species. Minimum quantity on evergreens & deciduous seedlings is 50 per variety. (N) Indicates Native or Native Cultivar. All sizes are approximate. See website or call us for full plant descriptions/cultural requirements. A deposit is required to confirm order and reserve plant material. Payment is by cash, check or E-Check, we no longer accept credit cards. Plants are available for pick-up in Early April at our Marengo Farm - during our Spring Open House dates (TBD) or by appointment. Bare root plants must be picked up promptly after notice of availability. Ohana Farms, Inc. Terms & Conditions apply to all transactions. We warranty our plant material to be healthy on delivery. The purchaser assumes all risk and responsibilities of planting, growth and life of purchased plant material after delivery. Prices & availability effective 1/1/2018 - subject to change without notice.
